Sir,

I have the honour to submit herewith for the information of Government a copy of telegram received from the Foodstuffs Commissioner, Simla, sanctioning allotments of foodstuffs to be drawn from British India and Burma during the month of September.

2. It will be seen that no allotment of Bengal rice has been sanctioned. This does not affect us very materially as imports from Bengal have latterly been very little owing to the high prices there. But the allotment of Burma rice via Madras is only 4,000 tons, which is inadequate. The actual requirements including the Civil & Military Station are 5,000 tons.

3. Of the 4,000 tons of Burma rice now sanctioned, I request that sanction may be accorded to my arranging for the import of 3,500 tons of whole rice and 500 tons of broken rice.

The First Assistant to the Hon'ble
the Resident in Mysore.

Sir,

I am directed to state that the Director of Civil Supplies in Mysore was instructed to apply to the Foodstuffs Commissioner for an allotment of 5,000 tons of Burma rice and 1,000 tons of rice from Bengal for September 1919, which included the requirements of the Civil & Military Station and Kolar Gold Fields But the Foodstuffs Commissioner has sanctioned only an allotment of 4,000 tons of Burma rice.

2. The stocks of food grains in the State are now very low and the prices of ragi and jola,-the staple food grains of the state - as well as of local rice have risen abnormally high. The people are now entirely depending on the imported rice and consequently increasing indents are being received from the Districts for ~~increased~~ supply of Burma rice. The total of the indents received from the Districts for the supply of Burma rice during September 1919 amounts to 6,500 tons and ~~there is every prospect of a larger~~ the demand will be even greater during October 1919. The allotments asked for for September 1919 are the -- minimum required to meet these demands.

3. I am therefore to request you to be so good as to move the Hon'ble the Resident kindly to use his good offices

My dear Sir,

I beg to acknowledge the receipt of D.O. I have received to-day another telegram from "Taivalla", of which I beg to enclose a copy. His rates as already reported are Rs 12-11-6 for whole rice and Rs 7-15-6 for brokens C.3 against London & Rangoon Trading Company's quotation of Rs 13-0-0 & Rs 8-4-0 respectively. Except for the fact that we have no knowledge of the firm's standing the quotations are more favourable than the London & Rangoon Trading Company's and far more so than Steel's, and I beg that this fact may be taken into consideration and final orders given to me. I should have submitted the matter in person, but I understand that owing to your other engagements

My dear Sir,

I have just received a telegram from Steel Brothers, Rangoon, in which they say that they cannot now work on their previous quotation, and make a firm offer (subject to prompt reply) to supply 3,500 tons whole rice big mills at Rs 13-2-0 per bag of 225 lbs. and 500 tons of C.3 brokens at Rs 7-8-0 per bag of 206 lbs. "f.o.b" Rangoon, including survey & insurance. The subjoined statement shows how these compare with their former rates and with the rates quoted by the London and Rangoon Trading Co:-

	Whole rice weight of bag	Rate Rs A. P.	Broken rice weight of bag.	Rate Rs A.P.
Steel's last quotation	225 lbs.	12-13-0	206 lbs.	7- 7-0
Steel's present quotation	225 lbs.	13- 2-0	206 lbs.	7- 8-0
London & Rangoon Trading Co.	225 lbs.	13- 0-0	225 lbs.	8- 4-0

The quotation of the London & Rangoon Trading Company is now the most favourable. That was given on the 4th and I am not sure whether they will work on it now. Anyhow, in anticipation of your approval, I have wired to them asking whether they can supply 3,500 tons whole rice and 500 tons brokens at those rates. I request your sanction to (1) placing orders with the London & Rangoon Trading Co. if I get a reply accepting, by to-morrow 5 P.M. and if no reply is received by then (2) accepting Steel's present quotation.

I shall submit official report in due course.

Letter No. 2339, dated the 25th September 1919, from the Foodstuffs Commissioner with the Government of India, SIMLA, to the First Assistant to the Resident in Mysore, BANGALORE:--

In reply to your letter No. 7261 dated the 20th September 1919, I write to say that at this stage of the month it is quite impossible for me to increase the September allotments of Burma rice for the Mysore State. I have, however, increased the allotment for October from 4,000 tons to 5,000 tons, the amount to be consigned via Madras. Will you kindly inform the Durbar accordingly?

2. I may add that I have sent very large supplies of Burma rice to Madras this month, and it is possible that the Mysore Durbar may be able to obtain additional supplies by arrangement with the Director of Civil Supplies. Madras. I believe never, that the demand for Burma rice is very insistent in the Madras Presidency, and I do not know whether the Director of Civil Supplies will be able to make any quantity available for Mysore.
